

Request for Expressions of Interest

E26-OP206 LiDAR Collection Services for Vegetation Management

Emera Newfoundland & Labrador operates the Maritime Link, a 500 MW +/- 200kV HVDC transmission link between the island of Newfoundland and Nova Scotia.

We presently seek from qualified companies an expression of interest for LiDAR collection along our Transmission Lines in Cape Breton, NS and West Coast of the island, NL. The planned activities will include:

- (a) Data collection involving a LiDAR sensor of transmission line ROWs via helicopter, fixed wings, or drone, (or other).

Companies interested in this expression of interest are asked to request a copy of the questionnaire at ENLprocurement@emera.com. The deadline to return the EOI questionnaire is 2 p.m. NDT on June 16, 2026.

Emera Newfoundland & Labrador is committed to conducting business in a manner that ensures the health and safety of all people on our worksites, is respectful of the environment, and promotes diversity and inclusion.
