

Request for Expressions of Interest

E21-OP088 Submarine Cables Fisheries Assessment

Emera Newfoundland & Labrador operates the Maritime Link, a 500 MW +/- 200kV HVDC transmission link between the island of Newfoundland and Nova Scotia.

We presently seek from qualified companies their expression of interest in receiving a Request for Quotes for the provision of the services of a consultant to review data related to fisheries and general Cabot Strait ecological changes in relation to Maritime Link submarine cables area. Specific components of the assessment are to include:

- (a) review of relevant data and information (provided by ENL as needed);
- (b) identify of mobile gear fisheries; and
- (c) identify the extent and timing of current marine commercial fisheries.

Companies interested in receiving the Request for Quotes are asked to return a completed copy of our EOI questionnaire by **2 p.m. NDT on Wednesday, June 9, 2021**. To request a copy of the questionnaire, please email a request to ENLprocurement@emera.com.

Emera Newfoundland & Labrador is committed to conducting business in a manner that ensures the health and safety of all people on our worksites, is respectful of the environment, and promotes diversity and inclusion.
