

Request for Expressions of Interest

E21-OP089 Fire System Inspection and Maintenance

Emera Newfoundland & Labrador operates the Maritime Link, a 500 MW +/- 200kV HVDC transmission link between the island of Newfoundland and Nova Scotia.

We presently seek from qualified companies their expression of interest in receiving a Request for Quotes for inspecting and maintaining fire detection and protection systems at either one or both of our sites in Bottom Brook, NL, and Woodbine, NS. The planned activities will include:

- (a) annual maintenance and inspection activities for the fire detection and clean agent suppression systems;
- (b) system testing, troubleshooting, and repair; and
- (c) annual system certification.

Companies interested in receiving the Request for Quotes are asked to return a completed copy of our EOI questionnaire by **2 p.m. NDT on Friday, February 19, 2021**. To request a copy of the questionnaire, please email a request to ENLprocurement@emera.com.

Emera Newfoundland & Labrador is committed to conducting business in a manner that ensures the health and safety of all people on our worksites, is respectful of the environment, and promotes diversity and inclusion.
