

Request for Expressions of Interest

E21-OP093 NERC-CIP Gap Assessment

Emera Newfoundland & Labrador operates the Maritime Link, a 500 MW +/- 200kV HVDC transmission link between the island of Newfoundland and Nova Scotia.

We presently seek from qualified companies their expression of interest in receiving a Request for Quotes for conducting a North American Electrical Reliability Corporation (NERC) Critical Infrastructure Protection (CIP) gap assessment on our Maritime Link HVdc facilities sites in Bottom Brook, NL, and Woodbine, NS. The planned activities will include:

- (a) Detailed gap assessment against NERC CIP, including NERC Operations and Planning (O & P) standards.
- (b) An implementation plan required for NERC CIP Compliance.

Companies interested in receiving the Request for Quotes are asked to return a completed copy of our EOI questionnaire by 2 p.m. NDT on July 12th, 2021. To request a copy of the questionnaire, please email a request to ENLprocurement@emera.com.

Emera Newfoundland & Labrador is committed to conducting business in a manner that ensures the health and safety of all people on our worksites, is respectful of the environment, and promotes diversity and inclusion.
