

Request for Expressions of Interest

E21-OP094 General Facilities Maintenance Support

Emera Newfoundland & Labrador operates the Maritime Link, a 500 MW +/- 200kV HVDC transmission link between the island of Newfoundland and Nova Scotia.

We presently seek from qualified companies their expression of interest in receiving a Request for Quotes for general trades for maintaining buildings at either one or both of our sites in Bottom Brook, NL, and Woodbine, NS. The planned activities will include:

- (a) General maintenance activities on an ad-hoc basis for Maritime Links Converter and Transition buildings;

Companies interested in receiving the Request for Quotes are asked to return a completed copy of our EOI questionnaire by **2 p.m. NDT on May 28th, 2021**. To request a copy of the questionnaire, please email a request to ENLprocurement@emera.com.

Emera Newfoundland & Labrador is committed to conducting business in a manner that ensures the health and safety of all people on our worksites, is respectful of the environment, and promotes diversity and inclusion.
