

Request for Expressions of Interest

E21-OP110 Annual Vegetation Management Program

Emera Newfoundland & Labrador operates the Maritime Link, a 500 MW +/- 200kV HVDC transmission link between the island of Newfoundland and Nova Scotia.

We presently seek from qualified companies an expression of interest for multi-year Vegetation Management Program located along our Transmission Lines in NL. The planned activities will include:

- (a) Control vegetation growth of non-compatible tree/brush species on the Maritime Link transmission line corridors and sites
- (b) Herbicide Treatment on approximately 1000 Ha over a three year period.
- (c) Localized manual cutting, piling and removal of danger/non-compatible trees/brush species.

Companies interested in this expression of interest are asked to return a completed copy of our EOI questionnaire by **2 p.m. NDT on December 6th, 2021**. To request a copy of the questionnaire, please email a request to ENLprocurement@emera.com.

Emera Newfoundland & Labrador is committed to conducting business in a manner that ensures the health and safety of all people on our worksites, is respectful of the environment, and promotes diversity and inclusion.
