Commercial Cleaning Services for Converter Station

E25-OPI89

Emera Newfoundland & Labrador operates the Maritime Link, a 500 MW +/- 200kV HVDC transmission link between the island of Newfoundland and Nova Scotia.

We are presently seeking an Expression of Interest from qualified companies with experience in commercial cleaning services for offices, site trailers, and warehouses.

The Cleaning Services will be a multi-year service agreement to maintain the Maritime Link building in Newfoundland. The facility is located on the West Coast of Newfoundland in Bottom Brook, approximately 40 km from Stephenville, NL.

Cleaning of the HVDC Converter Building will include a weekly, monthly, semi-annual and annual schedule, as well as additional cleaning during the planned annual shutdown period.

Companies interested in this expression of interest can obtain a copy of the questionnaire at ENLprocurement@emera.com. Completed questionnaires must be submitted to the same email address no later than August 1, 2025.

Emera Newfoundland & Labrador is committed to conducting business in a manner that ensures the health and safety of all people on our worksites, fosters sustainability by respecting the environment and recognizing the need for proactive climate change measures, and promotes diversity and inclusion.
